I have the honor to inform you that the Edison Computech HS NFL Chapter has been awarded the Leading Chapter Award in the Sierra District.

Harold C. Keller

This coveted award, based upon student participation, is the highest honor NFL can bestow upon a chapter. Only one school in each district attains this honor yearly and must wait at least 5 years before being eligible for the award again.

This year, out of over 2900 NFL member schools nationwide, your school is one of only 104 to receive the Leading Chapter Award. The long hours of teaching, practice, tournaments and fund raising have come to fruition. Your award reflects 594 members and degrees over 9 years. In that time, several hundred students have been taught the vital life skills of communication, analysis, leadership, organization and fair play.

NFL's motto is "Training Youth for Leadership". Your efforts at Edison Computech HS have made that motto a reality. We at NFL are proud to award our most important honor, the Leading Chapter Award to Edison Computech HS, to your students and to you. Congratulations. Your plaque will be presented to you by your district chair at the district tournament.
